## **Report of Independent Auditors**

The Board of Trustees  
Atherton Baptist Homes

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of Atherton Baptist Homes, which comprise the continuing care liquid reserve schedules, Form 5-1 through Form 5-5 for the year ended December 31, 2024.

In our opinion, the financial statements referred to above present fairly, in all material respects, the continuing care reserve of Atherton Baptist Homes as of and for the year ended December 31, 2024, in conformity with the liquid reserve requirements of California Health and Safety Code Section 1792.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Atherton Baptist Homes and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Basis of Accounting***

We draw attention to the basis of accounting used to prepare the financial statements. The financial statements are prepared by Atherton Baptist Homes on the basis of the liquid reserve requirements of California Health and Safety Code Section 1792, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of California Health and Safety Code Section 1792. Our opinion is not modified with respect to this matter.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the liquid reserve requirements of California Health and Safety Code Section 1792, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may include collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion on the effectiveness of Atherton Baptist Homes' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Atherton Baptist Homes' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Other Matter***

Our audit was conducted for the purpose of forming an opinion on the financial statements, as a whole. The accompanying supplementary schedules of Supplementary Form 5-1, Reconciliation to Audit Report; Supplementary Form 5-4, Reconciliation to Audit Report; and Supplementary Form 5-5, Reconciliation to Audit Report, are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of financial statements, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the financial statements, taken as a whole.

***Restriction on Use***

Our report is intended solely for the information and use of the Board of Trustees and management of Atherton Baptist Homes, and the California Department of Social Services, and is not intended to be and should not be used by anyone other than these specified parties.
